The Book

This edition makes available all three of the popular campus novels; *A Campus Conspiracy*, *Degrees 'R Us* and *The Whistleblower* in a single volume at a price that makes us weep.

Follow St Sebastian's University and the hapless Professor Harry Gilbert through the humiliations and traumas of fraud, sexual harassment claims, the establishment of a degree in casino management and an inspection by the Quality Assurance Agency, to name but a few.

Academics and students throughout the UK will recognise the petty jealousies, financial shenanigans and 'dumbing-down' that threaten UK higher education institutions in the twenty-first century.
